## COMMANDER-DB25 COMMANDER DATABASE Update to 2024

### Certified Database Through Motor Information Systems Compatible with all COMMANDER R/R/R Machines

Mastercool has worked with one of the world's premier suppliers of automotive data to provide the most complete and comprehensive vehicle database in the industry. Quickly and easily download the newest data to your COMMANDER machine and have the confidence that you are always working with the exact specs needed for every job.

- **TRUSTED AND ACCURATE** - Direct from the original equipment manufacturer (OEM), driven by the premier supplier of automotive data, Motor Information Systems
- **COMPLETE DATABASE WITH IMPROVED SEARCH INTERFACE** - Covers 1994 to 2024 domestic and import cars, trucks, vans, and SUVs
- **COMPREHENSIVE DATA** - Refrigerant capacities including both single and dual systems
